

## One-off Grant Application Funding Process for SA Health Investment in Aboriginal Health (SAHIAH)

### Objectives for funding

The purpose of this grant funding process is to support projects and initiatives that align with the National Closing the Gap Priority Reforms and contribute to improved Aboriginal health outcomes with funding **up to \$10,000**.

#### 1. Improve Aboriginal Health Outcomes

Support programs that directly address health disparities, seek positive outcomes for present and future generations, challenge or disrupt the health system with purpose, and have longevity.

#### 2. Promote Collaboration

Aboriginal voices are at the centre of the project, encourages partnerships between Aboriginal Community Controlled Health Organisations (ACCHOs), mainstream health services, and relevant stakeholders.

#### 3. Strengthen Capacity

Build the capacity of health services to deliver culturally safe, responsive care, where cultural safety is determined by the Aboriginal individual, family and community.

#### 4. Alignment with Priority Reforms

Ensure funded projects align with at least two of the National Closing the Gap Priority Reforms and demonstrate longevity and a sustainable impact.

- > Priority Reform 1 – Formal Partnership and shared decision making
- > Priority Reform 2 – Building the community-controlled sector
- > Priority Reform 3 – Transforming government organisations
- > Priority Reform 4 – Shared access to data and information at a regional level

#### 5. Alignment with Priority Health Areas

Ensure funded projects aligns with at least one of the Priority Health Areas below:

- > Chronic disease
- > Child and maternal health
- > Social and Emotional wellbeing.

#### 6. Ineligibility

The following things will not be considering for funding

- > Requests exceeding \$10,000
- > Requests that do not address objectives
- > Consumables (stationary, perishables, food, etc)

Capped at three applications maximum per LHN

#### 7. Submission

Please enter your application details into the template provided, ensuring each section is completed. Your application must be signed by your LHN CEO or DHW DCE (ie the financial delegated authority for your application) before submission.

Completed applications should be sent to [health.investmentintoaboriginalhealth@sa.gov.au](mailto:health.investmentintoaboriginalhealth@sa.gov.au) for assessment. Applicants will be informed of the outcome of their assessment.

The Investment team will liaise with the applicant within five **(5) Working Days** of receiving the application to advise of the outcome (approval/non approval/further information required).

Should approval be provided, DHW will arrange one of the following processes:

1. DHW Purchase Order to be raised with applicant finalising a written confirmation on receiving the goods/services
2. Applicant confirms the local Purchase Order details and DHW transfer of funds with applicant finalising a written confirmation on receiving the goods/services
3. Applicant and DHW agree on project outline with clear reporting requirements for DHW to transfer of funds and applicant finalising the process with a written report outline project outcomes and expenditure
