

Stay Lubly Resources

For AHCSA Member Services

About These Resources

The Aboriginal Health Council of SA's Sexual and Reproductive Health and BBV team created these resources in collaboration with Shine SA.

These resource have been developed in consultation with Aboriginal and Torres Strait Islander community within SA to ensure the messaging will be the most effective to increase STI Testing and reduce the stigma surrounding Sexual Health.

SHINE_{SA}

Illustrations Artist:

Savi Ross (they/them) is an African American, Torres Strait Islander illustrator based in Narm Melbourne.

Get The Word Out

We kindly ask you to promote these resources through your channels to help encourage community to get tested for STIs and destigmatise discussions about Sexual Health.

The content in this toolkit is only to be used for its intended purpose of promoting STI Testing and Sexual Health services.

Key Messages

- STI testing is quick and easy! Stay lubly, get tested.
- Don't guess, get tested! Stay lubly and get a sexual health check.
- Looking after yourself is looking after your community! Stay lubly and get a sexual health check
