

VACCINATION. THAT'S SOLID.

I GOT MY VACCINATION
I GOT MY VACCINATION
I GOT MY VACCINATION

Vaccines teach your body to fight infections. They stop you from getting sick and stop diseases spreading. Staying up to date with vaccines is the best way to protect yourself, your loved ones, and your mob.

PROTECTING YOUR MOB.

Vaccines help protect the most vulnerable members of our community at every stage of life. Let's keep yourself, bubs, Elders and community safe.

STAY UP TO DATE WITH VACCINES.

It's the best way to protect yourself and give your loved ones the protection they need when they need it.

IT'S OKAY TO HAVE QUESTIONS.

Having questions about vaccination is okay. Go to your local health service and have your questions answered by people you trust.

**KEEN TO DO
YOUR BIT?**

Ask your local health service about vaccinations. It's ok to have questions. You can talk to them about what's right for you and your family.
