HLT20121 – Certificate II in Aboriginal and/or Torres Strait Islander Primary Health Care

AHCSA RTO National Code: 40142
220 Franklin Street, Adelaide, South Australia, 5000

Course Description

This qualification provide provides learners with the foundational knowledge, skills, and confidence to work effectively within Aboriginal and Torres Strait Islander primary health care settings. The qualification supports Learners to build practical skills in communication, workplace health and safety, professional conduct, and supporting the health and wellbeing of Aboriginal and Torres Strait Islander individuals, families, and communities.

Through a combination of structured learning, practical activities, and culturally responsive training approaches, graduates will be equipped to contribute effectively to multidisciplinary health teams while supporting culturally safe and holistic models of care.

Successful completion of this qualification may provide pathways into further study, including Certificate III and higher-level qualifications in Aboriginal and Torres Strait Islander Primary Health Care and related health disciplines.

Entry Requirements

- AHCSA requires learners to be 18 years old.
- Entrants must be employed by a Member Service or SA Health.
- Acceptance into this Certificate II level course will be subject to the results of a Language, Literacy, Numeracy, and Digital Skills Assessment.
